The diagram illustrates the relationship between three files in the tesseract\_scene\_graph project. At the top is a header file, 'tesseract\_scene\_graph/include/tesseract\_scene\_graph/srdf/disabled\_collisions.h', which is shaded gray. Below it are two source files. The file on the left, 'tesseract\_scene\_graph/src/srdf\_model.cpp', has a blue arrow pointing to the header file. The file on the right, 'tesseract\_scene\_graph/test/tesseract\_scene\_graph\_srdf\_unit.cpp', also has a blue arrow pointing to the same header file.
